2020 ANNUAL GENERAL MEETING

Withdrawal of Agenda Item

On 17 March 2020 England Hockey adjourned its Annual General Meeting. This is a supplement to the agenda for the 2020 AGM.

The Directors are mindful of the continuing financial pressure on clubs and the additional impact of COVID19. The Directors do not feel it is appropriate to raise affiliation fees at this time and are compelled to cancel the proposed increase to current affiliation fee for adult teams by 1.5% p.a. for the season 2020/21 under resolution 5 of the Agenda and to withdraw that voting item from the Agenda.

In addition, the Vice-President re-election should not have been included under resolution 7 of the Agenda and is also being withdrawn from the Agenda. An EGM will be held in due course to execute this item.

The Agenda and the Calling Notice are supplemented and amended by virtue of this notice.

4 September 2020.
